

## **THE RAINS CAME AND THEY CAME AND THEY CAME AND THEY CAME AND THEY CAME AND THEY CAME AND THEY CAME !**

It was necessary to postpone our regular meeting on September 21. This was the first time that most members can remember that a postponement was necessary. We appreciate the cooperation of the Holiday Inn in rescheduling our meeting on September 28. Also thanks to Brandon Beach for rearranging his schedule to be with us. Several of our members experienced problems with flooding and we all know many others with problems. Douglas County, the location of the new club we are sponsoring, was especially hard hit.

Thanks to Tail Twister Milt Brand for celebrating his birthday by collecting \$173 for our club operation. The Board has voted to purchase a gavel and a bell for the Douglas County Lions Club that we will sponsor. The cost of these items totaled \$187 and donations of \$45 have been received. The remaining \$152 will be paid from the Tail Twister collection. 2VDG Bethel will have the bell engraved when the charter date is determined.

## **EYESIGHT ROSWELL UPDATE**

On October 6, Eyesight Roswell Chairman Tim Dunn, 2VDG Alan Bethel, and Treasurer Robby Robinson met with the Roswell Eye Clinic staff to discuss the services they provide and if any changes in the program are needed. It was agreed that the program is working well and that some minor changes will improve the process. The Roswell Lions expressed their appreciation for the services of the Roswell Eye Clinic to Eyesight Roswell. Since 2005, the Clinic has provided exams and glasses for over 165 clients of Eyesight Roswell.

IF **APPLES** COME  
CAN **GOLF**  
BE FAR BEHIND?

What about the **trees**? This is the busiest time of the year for the Roswell Lions. The apples were scheduled a little later than usual to improve the flavor of the Fujis, and the golf was also rescheduled due to a conflict with another tournament. The trees will start about the same time as usual, but the sales time will be reduced as Thanksgiving comes later in November. If you need info or forms for the apples, contact Lions Doris or Robby. Webmaster, PP Jeff Hammen, has also posted the apple form and pictures on our website, [roswellions.org](http://roswellions.org). Lion Jeff can answer any questions about golf, and again, the info is available on the website.

**Our participation in the projects will insure their success:**

With the **APPLES**, *We Can Serve* by selling apples and/or purchasing apples for our own use or as gifts to our friends.

For **GOLF**, *We Can Serve* by being a participant, securing foursomes, being a hole sponsor, or making a cash donation. Also we are needed for work during registration and on the course during the tournament.

For the **TREES**, Lions Bill and Vince are taking care of the setup, so a concentration on the sales is needed. First and foremost, *We Can Serve* by manning the lot and encouraging friends and neighbors to visit the lot. Once they are there, Lion Bill knows what to do. Also, we can purchase trees for our own use or make a cash donation in lieu of a purchase.

*Think of the success we could achieve if we would all be involved in all of the projects in some way! That would be true service.*

The Fullertons have joined us for our Christmas meetings for the last several years, but PP Phil Farias advises that they cannot be with us this year. We will miss them and if you know of a group we might consider for this Christmas, please discuss with President Bramblett.

In the three year report of the Drake House, June 2006-June 2009 , the following was included:  
**“Free vision care/glasses funded by Roswell Lions 52”**

## Roswell Lions 33rd Annual Charity Christmas Tree Sale

The Roswell Lions Club thanks you for your continued support of our annual Christmas Tree Sale. All our workers are volunteers and **100%** of the profits go to the many projects that directly benefit the Roswell community. With the current economy, the community will need our help more than ever, so we are counting on you to come see us again this year.

**Trees will be available:**

**Daily beginning November 27th.**

**Crossville Shopping Center at the corner of Holcomb Bridge/**

**Crossville Roads and Alpharetta Hwy near Stoney River**

**Restaurant and directly across from CiCi's Pizza.**
